

CHECKLIST: TOURIST VISIT TO NORWAY
(Please, submit documents in this order)

Please be informed that a joint electronic archive for the entire immigration administration will gradually replace the current paper archive. This means that all documents which are listed in the checklist below will be electronically scanned at the Embassy from January 2011. It is therefore very important that all original documents must be submitted with a perfect copy in A4 format. Please do not staple or glue any documents together as this will delay the scanning process.

Please check the boxes below and sign to confirm which documents you have submitted:

I hereby confirm that I personally have submitted this application for a visa and that all information stated in the application and the supporting documentation is true. I am aware that providing incorrect information or falsified documents deliberately are punishable acts by both Thai and Norwegian law and will lead to refusal of visa. I have been informed that the case processing time will increase if the application submitted is incomplete and the immigration authorities have to obtain further documentation. I have also been informed that there is an increased risk of the visa application being rejected if the requested information is not provided within the deadline stipulated by the immigration authorities.
